# Memorizing the Bible

- Diligently read the context before and after in order to correctly understand what the verse means.
- Reviewing a few of your verses daily will help you to remember them for present and future use.
- Memorize the verse by saying the topic first, then the Scripture reference, then the verse, then close with the reference. Ex. “The Bible’s Authority, Matthew 4:4, ‘But he answered...’ Matthew 4:4”
- Memorize the verse word for word perfectly.
- Think about the meaning of the words and phrases as you memorize it, seeking to understand what the verse means in its context and also what God wants to communicate to you through the verse. Meditation will lead to personal application.
