“The type of thinking known today as scientific, with its emphasis upon experiment & mathematical formulations, arose in one culture —Western Europe — and in no other.”

Pearcey & Thaxton

Isaac Newton

I have a fundamental belief in the Bible as the Word of God, written by men who were inspired. I study the Bible daily. Opposition to godliness is atheism in profession and idolatry in practice. Atheism is so senseless and odious to mankind that it never had many professors.

Scripture -

Sets Foundation
for Science

Andromeda

“Where were you when I laid the foundation of the earth? Tell Me, if you have understanding, Who set its measurements? Since you know. Or who stretched the line on it? On what were its bases sunk? Or who laid its cornerstone, When the morning stars sang together And all the sons of God shouted for joy?”

Job 38:4-7

Elohim, the Creator

**But now, thus says the Lord, your
Creator, O Jacob, And He who formed you,
O Israel, “Do not fear, for I have redeemed
you; I have called you by name; you are
Mine!”**

Isaiah 43:1

Yahweh, the Creator
