

**1. The Doxological Theology of "Filling the Earth"**

[www.icr.org/article/sweden-fun-in-the-sun-nature-hiking](http://www.icr.org/article/sweden-fun-in-the-sun-nature-hiking)

How 'nature hikes' can be doxological adventures for Christians.

[www.icr.org/article/matthew-maury-paths-of-the-sea](http://www.icr.org/article/matthew-maury-paths-of-the-sea)

Maury relied on Psalm 8:8 as a pioneer oceanographer, etc.

[www.icr.org/article/lawn-care-is-essential-grasses-glorify-god](http://www.icr.org/article/lawn-care-is-essential-grasses-glorify-god)

Even the grasses demonstrate God's glory as caring Creator.

[www.icr.org/article/falling-birth-rates-nordic-countries-except-faroes](http://www.icr.org/article/falling-birth-rates-nordic-countries-except-faroes)

Part of the Genesis Mandate is human procreation.

[www.icr.org/article/fulfilling-genesis-mandate-while-helping](http://www.icr.org/article/fulfilling-genesis-mandate-while-helping)

The Genesis Mandate involves wise use of God's earth, etc.

**2. God Values Variety: Animals & Habitats Show God's Glory**

[www.icr.org/article/god-fitted-habitats-for-biodiversity](http://www.icr.org/article/god-fitted-habitats-for-biodiversity)

God very purposefully made deserts, wetlands, mountains, etc.

[www.icr.org/article/valuing-gods-variety](http://www.icr.org/article/valuing-gods-variety)

Variety is valuable; it originates from the God Who is triune.

[www.icr.org/article/acadia-maine-jewel-among-america-parks](http://www.icr.org/article/acadia-maine-jewel-among-america-parks)

Maine's Acadia Nat'l Park exhibits God's caring providence.

[www.icr.org/article/should-creationists-brook-loss-of-a-trout](http://www.icr.org/article/should-creationists-brook-loss-of-a-trout)

Appreciating biodiversity fits Biblical creation, not evolution.

[www.icr.org/article/13149/](http://www.icr.org/article/13149/)

Crater Lake displays God's artistry and providential care.

**3. Providential Migrations: Families, Individuals, & the Gospel**

[www.icr.org/article/contending-for-faith-genesis-mandate](http://www.icr.org/article/contending-for-faith-genesis-mandate)

Missionary evangelism mixed with pro-life politics in India!

[www.icr.org/article/mechanical-multitasking-mayflower](http://www.icr.org/article/mechanical-multitasking-mayflower)

Pilgrims in crisis: Providential migration to the New World

[www.icr.org/article/mayflower-pilgrims-simian-dna-and-straw-men](http://www.icr.org/article/mayflower-pilgrims-simian-dna-and-straw-men)

apologetics illustrations 'straw-man argument fallacy + corrected Pilgrim history

[www.icr.org/article/maple-syrup-gold-nanoparticles-and-gratitude](http://www.icr.org/article/maple-syrup-gold-nanoparticles-and-gratitude)

maple syrup illustration of how quality is tested

**4. Family History & Grace: Applying Creation Theology to Individuals**

[www.icr.org/article/grackles-gratitude](http://www.icr.org/article/grackles-gratitude)

appreciating how personal God is the Creator of each 1 of us

[www.icr.org/article/attracted-genesis-by-magnets-bird-book](http://www.icr.org/article/attracted-genesis-by-magnets-bird-book)

how magnets and a bird-book can point you to the Creator

[www.icr.org/article/avoiding-identity-fraud](http://www.icr.org/article/avoiding-identity-fraud)

identify fraud is bad; believing evolution myths is worse

[www.icr.org/article/gap-theory-trojan-horse-tragedy](http://www.icr.org/article/gap-theory-trojan-horse-tragedy)

why the Gap Theory is like a Trojan Horse in the churches

## 5. How Fake “Science” and Sloppy Theology Both Oppose Genesis

[www.icr.org/article/religion-sloppy-science](http://www.icr.org/article/religion-sloppy-science)

Galileo’s problems with “religion”, illustrating sloppy science & sloppy theology

[www.icr.org/article/grasshopper-apologetics-no-need-to-get-jumpy](http://www.icr.org/article/grasshopper-apologetics-no-need-to-get-jumpy)

some claim the Bible misreports grasshopper anatomy: wrong!

[www.icr.org/article/moabite-kings-boast-corroborates-genesis](http://www.icr.org/article/moabite-kings-boast-corroborates-genesis)

Moabite Stone bragging unintentionally affirms Genesis prophecy

[www.icr.org/article/signs-of-the-times-glacier-meltdown](http://www.icr.org/article/signs-of-the-times-glacier-meltdown)

“Global warming”? some glaciers were supposed to melt by now!

[www.icr.org/article/christ-predicted-climate-patterns](http://www.icr.org/article/christ-predicted-climate-patterns)

Christ talked about 2 weather patterns, that we now understand

[www.icr.org/article/beware-the-bait-of-false-hypotheticals](http://www.icr.org/article/beware-the-bait-of-false-hypotheticals)

recognize illegitimate hypothetical scenarios that challenge Scripture

## 6. Opportunities to Connect Genesis Truth with the Gospel

[www.icr.org/article/siberian-huskies-dominion-mandate](http://www.icr.org/article/siberian-huskies-dominion-mandate)

Environmental stewardship taught by Scripture, not wastefulness

[www.icr.org/article/no-backdated-punishment-eden](http://www.icr.org/article/no-backdated-punishment-eden)

Genesis is reliable history: no backdated punishment for Adam’s sin

[www.icr.org/article/biblical-creation-distraction-evangelism](http://www.icr.org/article/biblical-creation-distraction-evangelism)

Is Genesis-based creation doctrine a Gospel distraction? No!

[www.icr.org/article/chicken-magpie-and-easter-greetings](http://www.icr.org/article/chicken-magpie-and-easter-greetings)

how to chickens and magpies remind us of the Gospel of Christ?
